Water/Electric up to 50'

Virginia Department of Conservation and Recreation

Welcome to First Landing State Park

Please review the following campground rules and regulations:

- To lessen the impact on the environment only two vehicles and six people are allowed per campsite. This rule is strictly enforced.
- Please be respectful of your neighbors. Quiet hours are from 10 p.m. to 6 a.m. No excessive noise after 10 p.m.
- All guests need a parking pass. Visitors are allowed if you inform park staff prior to visit. Guests will be subject to a daily parking fee. Visitation ends at 10 p.m.
- Parking passes are required and must remain visible at all times while visiting the park.
- Enjoy the park with your pets, but please remember that all pets must be on a leash at all times. Pets must never be unattended. Please clean up pet waste and dispose of it in appropriate containers.
- Campfires are a camping tradition. Fires must be kept within the provided fire rings. Firewood is available at the camp store during operating hours. The park office offers firewood in the off season when the camp store is not in operation. Please make sure your campfire is completely extinguished after use.
- Help us maintain the park's natural beauty by keeping trash and debris clean up. Do not litter. Dumpsters and recycling containers are located in each camping loop.
- State law permits alcohol use only in private areas (inside your cabin or camping unit) or in areas designated on permits issued by the Virginia Department of Alcoholic Beverage Control.
- Generator use is prohibited in the campground.
- Check out time is 3 p.m. and renewal of sites are on a first come, first served basis prior to checkout. Please drop off your site marker in the box located beside the outgoing window of the contact station when departing the park.
